

*Words from patient, Ramsen S.*

I have been injured for the past 17 months, I have been in and out of physio, I've had a cortisone shot, but still did see any progress. Im in my 4th session of acupuncture with Dr. Russell and already feel 100% better. I am confident I will recover from this injury with the help of Dr. Russell and the Justine Blainey Wellness Centre.

The staff go above and beyond. I'm forever grateful!
