Feel Younger NOW!

Ty Bollinger | March 23rd, 2017

Using mushrooms for medical purposes is a centuries old technique.

The Japanese and other Asian cultures have cooked, made tea and other healing elixirs to combat everything from chronic inflammation to gut health.

One of the ways mushrooms improve your health is by helping to rid your body of toxins and heavy metals and by balancing your brain chemistry.

Discover the unique, fermented healing mushroom compound formula that effectively creates the next generation of anti-aging combatants: a true healing gift from the earth.

- Heart – Patented fermented mushroom extracts may help keep your heart healthy.
- Liver – May help boost your liver function with live brown seaweed extracts.
- Stomach – May help maintain healthy gut function with Lion's Mane fermentation.
- Immune System – The entire formula designed to help maintain healthy immune function.
- Thyroid – Natural energy and mood balance.
- Adrenals – Helps your body recover from long-term stress fermented superfoods!
-

The secret to a healthy, vibrant and long life! 7M+ brings our proprietary fermentation process to medicinal mushrooms with amazing effects...

For centuries, the Japanese have understood the healing benefits of mushrooms. Japanese and other Asian cultures have cooked, made tea and other healing elixirs to combat everything from chronic inflammation to gut health.

Using centuries old knowledge of the power of medicinal mushrooms and our breakthrough new formulation process, we've unleashed the power of healing mushrooms in a way never before done.

And now you can bring those ancient healing properties into your life with 7M+.
